Seneca & Marion Townships, Noble County, Ohio

I hereby certify that I have made a thorough examination of the records of Noble County, Ohio, as disclosed by the public indices covering a period not less than forty (40) years and in accordance with the Ohio Marketable Title Act in regard to title to the real estate described at Exhibit "A" attached hereto.

Unless otherwise specifically stated herein, this Certificate does not purport to cover matters not of record in said County, including rights of persons in possession, questions which a correct survey or inspection would disclose, rights to file Mechanics' Liens, special taxes and assessments not shown by the Noble County Treasurer's records, zoning and other governmental regulations, or liens asserted by the United States or State of Ohio, their agencies and officers under the Ohio Solid Hazardous Waste Disposal Act, Federal Superfund Amendments, and under Racketeering Influence and Corrupt Organizations Acts and Receivership Liens unless the lien is filed in the public records of the county in which the property is located.

I further certify that, in my opinion based upon said records, the fee simple record title, excepting all minerals, oil and gas interests, coal, coalbed methane or its constituents, limestone, sand, clay, gravel or any other mineral interests together with mining rights or rights to remove said minerals or oil and gas, is vested in:
