### ACPL Lumber Liquidation!

Over 3,500 total board feet of lumber

- Oak • Ash • Poplar • Cherry • Maple • Black Walnut
- Mahogany • Laminate countertops • Plywood pieces
- Bookcase parts • Shelf boards • Upholstered office chairs
- Office computer workstations • Round office table
- Herman Miller lateral file cabinets • Organizers

**DIRECTIONS:** Property is located on Disalle Blvd. just north of Cook Rd. Lies adjacent to Smith Field Airport.

**NOTE:** Majority of cataloged lots will be stacks, however there are some larger individual cataloged boards. Individual board lengths range from approximately 6'-16', thickness sizes range from 5/8"-2", and widths range from approximately 5"-22". ACPL measured the majority of boards and determined the species of lumber. Measurements and species are deemed to be accurate, but not guaranteed. It is up to each individual bidder to do his or her own inspections and due diligence to determine accuracy of measurements and species of lumber. All sales are final, no refunds for any differences in advertised measurements and species versus actual measurements and species.

Please visit [www.schraderfortwayne.com](http://www.schraderfortwayne.com) to access the online bidding portal for complete terms and conditions, and to register for the auction. The online auction portal will contain every lot with specific lot descriptions and dimensions for each lot. Many of the lots have a photograph of the dimensions of each piece within a specific lot.
