1. **Subject of Agreement; Property.** The property to be conveyed and acquired pursuant to this Agreement consists of the real estate in Comanche County, Oklahoma described as follows (the “**Property**”):

Beginning at a point 100.45 feet South and 512.5 feet West of the Northeast Corner of the Northeast Quarter (NE¼) of Section Thirty-six (36), Township Four (4) North, Range Eleven (11) West, I.M., Comanche County, Oklahoma, according to the U.S. Government Survey thereof; thence West 205.0 feet; thence South 333.0 feet; thence East 205.0 feet; thence North 333.0 feet to the point of beginning;

2. **Assignment of CLO Ground Lease; Leasehold Estate.**

(a) This offer may be accepted by Seller if and only if this Agreement is signed by Camilla Elaine Hart (“**Assignor**”), as the Lessee under the CLO Ground Lease pursuant to which Assignor is leasing from the Commissioners of the Land Office of the State of Oklahoma as Administrator of the Oklahoma School Lands Trust (“**CLO**”) approximately 4.25 acres of land (“**Ground Lease Premises**”) adjacent to the Property described in Section 1 above. By signing this Agreement, Assignor agrees to assign the CLO Ground Lease, and the interest of the Lessee under the CLO Ground Lease (“**Leasehold Estate**”), to Buyer in accordance with the provisions of this Section 2.

(b) Buyer acknowledges that Buyer has received and reviewed copies of the CLO Ground Lease prior to submitting this Offer. “**CLO Ground Lease**” refers to the “State of Oklahoma, Unsubordinated Commercial Ground Lease, Fifty-Five Year Term, Contract Number: 106378/7427” executed on March 3, 2005 and March 10,

2005 by and between the Commissioners of the Land Office of the State of Oklahoma as Administrator of the Oklahoma School Lands Trust (as Lessor) and Camilla Elaine Hart, her sublessees, successors and assigns (as Lessee), and recorded in the records of Comanche County at Book 4625, page 141.

(c) Buyer, Seller and Assignor acknowledge that the CLO Ground Lease is not assignable without the prior written consent of the CLO. ***Buyer's obligation to complete the purchase and acquisition of the Property at Closing is contingent upon obtaining the CLO's prior written consent to the assignment of the CLO Ground Lease to Buyer. Buyer, Seller and Assignor agree to cooperate and use commercially reasonable efforts to obtain such consent as soon as possible after the execution of this Agreement and prior to Closing.***

(d) Buyer promises, represents and warrants to Seller and Assignor that Buyer is (and will be at the time of Closing) a qualified assignee in accordance with the provisions of the CLO Ground Lease, including Section 8.1(a) according to which an assignee must have a net worth of at least one million dollars (\$1,000,000.00).

(e) Effective as of the completion of Closing (subject to obtaining the CLO's prior written consent), all rights of the Lessee under the CLO Ground Lease shall be assigned to Buyer and Buyer shall assume (and shall indemnify and hold harmless Assignor with respect to) all obligations of the Lessee under the CLO Ground Lease which are to be performed after Closing; *provided, however*, as between Assignor and Buyer, the obligation to pay rent under the CLO Ground Lease shall be ***prorated*** to the date of Closing. The obligations assumed by Buyer shall not include (and Assignor shall indemnify and hold harmless Buyer with respect to any liability arising from) any obligation of the Lessee under the CLO Ground Lease which is to be performed prior to Closing.

(f) The assignment and assumption of the CLO Ground Lease, as described above, shall be effective as of the completion of Closing, without any representation or warranty as to any particular rights or obligations. At Closing, Buyer and Assignor shall execute and deliver an assignment in the form provided by the CLO ("Assignment of Oklahoma School Land Unsubordinated Long Term Commercial Ground Lease"), a copy of which is included as part of the Sealed Bid Packet, pursuant to Assignor assigns and transfers all right, title and interest in and to the CLO Ground Lease to Buyer.

(g) Neither Seller nor Assignor has not obtained, and neither has any obligation to provide, any title insurance, title opinion or other title evidence with respect to the CLO Ground Lease and/or the Leasehold Estate. Buyer agrees to acquire the Property and Leasehold Estate (and accept the assignment of the CLO Ground Lease) subject to and notwithstanding: (i) any easement affecting the Ground Leased Premises, the CLO Ground Lease and/or the Leasehold Estate; (ii) any existing billboard on or near the Ground Leased Premises (and any related billboard lease, easement or agreement); and (iii) any other matter that constitutes a Permitted Exception, as defined in Section 11 below). Buyer agrees to acquire the Property and Leasehold Estate (and accept the assignment of the CLO Ground Lease) without a post-Auction survey of the Ground Lease Premises.

3. Exclusion of Minerals. All minerals under the surface of and/or that may be produced from the land comprising the Property, including oil, gas, coal, coalbed methane, all other hydrocarbons, lignite, all metallic minerals and all rights, fixtures and/or equipment appurtenant thereto (collectively, "**Minerals**") are excluded from this sale and shall be excluded from the conveyance of the Property to Buyer. The meaning of the term "**Property**" as used throughout this Agreement shall be interpreted to exclude all Minerals.

4. Purchase Price; Buyer's Premium. The purchase price for the Property and Leasehold Estate (the "**Purchase Price**") consists of the amount in U.S. Dollars which is written as the Bid Amount on the Signature Page (the "**Bid Amount**"), plus a Buyer's Premium equal to four percent (4.0%) of the Bid Amount. **THE 4% BUYER'S PREMIUM IS AUTOMATICALLY ADDED TO THE BID AMOUNT TO ARRIVE AT THE PURCHASE PRICE.** Prior to the Closing, Buyer shall deliver Good Funds to the Escrow Agent in the amount of the Purchase Price, plus expenses charged to Buyer as provided in this Agreement, less applied Earnest Money and any other credits due Buyer as provided in this Agreement. "**Good Funds**" means immediately available funds delivered by confirmed wire transfer to an account designated by the Escrow Agent.

5. Earnest Money. Concurrently with the execution and delivery of this Offer, Buyer shall deliver an earnest money deposit ("**Earnest Money**") payable to the Escrow Agent in an amount not less than ten percent (10%) of the Bid Amount. Upon Seller's acceptance of this Offer, the Earnest Money shall be delivered to the Escrow Agent to be held in escrow and applied towards the payment of the Purchase Price at Closing. "**Escrow Agent**" refers to American Abstract Co. of McClain County, Inc., 138 W. Main St., Purcell, OK (Tel: 405-527-7575).

6. **Delivery of Title and Possession.** The title to and possession of the Property shall be delivered to Buyer effective upon completion of the Closing, subject to the Permitted Exceptions and all other terms and conditions of this Agreement. Seller shall furnish at Seller's expense, and shall execute and deliver at Closing, a Warranty Deed conveying the Property to Buyer, subject to the Permitted Exceptions and excluding all Minerals.

7. **Survey.** It is anticipated that the Property will be conveyed using the existing legal description as provided by the title company. In any event, a new survey of all or any part(s) of the Property shall be obtained prior to Closing if and only if: (a) the official(s) responsible for recording the conveyance will not accept the conveyance for recording without a new survey; or (b) Seller elects to obtain a new survey for any other reason in Seller's sole discretion. If a new survey is obtained: (i) the survey shall be ordered by an agent of the Seller; (ii) the survey shall be sufficient for the purpose of recording the conveyance, but the type of survey shall otherwise be determined solely by the Seller; and (iii) the survey shall identify the perimeter boundaries of the surveyed land, but a more detailed ALTA survey shall not be required or obtained unless otherwise agreed by Seller in its sole discretion. The cost of any survey obtained in accordance with the provisions of this Agreement ("**Survey**") shall be shared equally (50:50) by Seller and Buyer.

8. **Preliminary Title Evidence.** Buyer acknowledges having received, prior to making this Offer, a copy of the preliminary title insurance schedules dated May 7, 2025 prepared by American Abstract Co. of McClain County, Inc. and identified by reference to File # 20250492, together with copies of all recorded documents referenced in the preliminary Schedule BII (collectively, the "**Preliminary Title Evidence**"). Buyer agrees to acquire the Property subject to and notwithstanding all matters referenced in the Preliminary Title Evidence (except Liens, if any). "**Liens**" refers to, collectively, any/each mortgage and/or other monetary obligation attaching as a lien against the Property other than a lien for Taxes not yet due and payable.

9. **Final Title Commitment.** As a condition precedent to Buyer's obligation to acquire the Property at Closing, Buyer has the right to receive a commitment, dated after this Agreement, for the issuance of a standard coverage ALTA owner's title insurance policy insuring fee simple title to the Property in the name of Buyer for the amount of the Purchase Price, free and clear of any Liens or other material encumbrance that does not constitute a Permitted Exception ("**Final Title Commitment**"). The Final Title Commitment shall be prepared by the same company that prepared the Preliminary Title Evidence. Buyer agrees to accept the Final Title Commitment furnished by Seller notwithstanding: (a) standard exceptions (including survey exceptions); (b) any exception, condition or requirement that Seller intends to satisfy and/or remove (and is in fact satisfied and/or removed) at the time of or prior to Closing; (c) any specific or general exception that appears in Schedule B, Part II of the Preliminary Title Evidence; and/or (d) any other matter listed, referenced, identified, or disclosed in the Final Title Commitment that constitutes a Permitted Exception. The cost of furnishing the Final Title Commitment shall be charged to Seller.

10. **Title Insurance at Buyer's Expense.** If Buyer and/or Buyer's lender elect(s) to purchase title insurance: (a) the cost of issuing any title insurance policy shall be charged to Buyer, including title insurance premiums; and (b) Seller shall reasonably cooperate with respect to the satisfaction of the requirements for issuing a standard coverage ALTA owner's title insurance policy, as set forth in the Final Title Commitment; provided, however: (i) Buyer shall be responsible for the satisfaction of any title insurance requirement pertaining to Buyer or the proposed insured or any obligation of Buyer or the proposed insured or any title insurance requirement that can only be (or that reasonably should be) satisfied by Buyer as opposed to Seller (each a "**Buyer-Related Requirement**"); (ii) Seller shall have no obligation with respect to and Buyer's obligations are not contingent upon the satisfaction of any Buyer-Related Requirement or the availability or issuance of any extended or special title insurance coverage, any title insurance endorsement or any other title insurance product other than the Final Title Commitment for the issuance of a standard coverage ALTA owner's title insurance policy as described in this Agreement; and (iii) Seller shall have no obligation with respect to the satisfaction of any title insurance requirement or condition that is contrary to or inconsistent with the provisions of this Agreement.

11. **Permitted Exceptions.** As between Buyer and Seller, Buyer agrees to accept title and possession of the Property and the Leasehold Estate (including the deed, the Final Title Commitment, any title insurance, any survey, and the assignment of the CLO Ground Lease) subject to and notwithstanding any of the following matters (each a "**Permitted Exception**" and collectively the "**Permitted Exceptions**"): (a) existing roads, public utilities and drains, and statutory easements on section lines; (b) visible and/or apparent uses and easements; (c) existing pipelines, whether or not visible or apparent and whether or not appearing of record; (d) rights and/or claims relating to or arising from any variation between a deeded boundary line and a fence line or other

visible occupancy or occupancy line and/or the encroachment of any existing use, structure or improvement over any boundary line; (e) any lien for current real estate taxes and/or special assessments not yet due and payable; (f) local ordinances and zoning laws; (g) outstanding reservations, severances and/or other rights with respect to Minerals; (h) any matter pertaining to Minerals and/or mineral rights, including any existing leases, easements and/or surface use agreements; (i) any matter (except Liens, if any) disclosed in this Agreement; and (j) any plat, easement, condition, restriction, reservation, and/or other matter (except Liens, if any) appearing of record and listed, referenced, identified, or disclosed in the Preliminary Title Evidence.

12. Conveyance Requirements. Buyer's obligation to purchase and acquire the Property at Closing is contingent upon the satisfaction of the following conditions and requirements (collectively, the "**Conveyance Requirements**"): (a) that Buyer has received the Final Title Commitment in accordance with the provisions of this Agreement; (b) that Seller is able to satisfy the requirements of the Final Title Commitment (other than a Buyer-Related Requirement) for the issuance of a standard coverage ALTA owner's title insurance policy in accordance with the Final Title Commitment; (c) that Seller is able to convey fee simple title to the Property, free and clear of any Liens and/or other material encumbrance that does not constitute a Permitted Exception; (d) that Seller is able to deliver possession of the Property at the time of Closing (subject to the Permitted Exceptions); and (e) the parties have obtained the CLO's prior written consent to the assignment of the CLO Ground Lease to Buyer. For purposes of this Agreement, the title to the Property shall be deemed sufficient and marketable if Seller is able to convey the Property in conformance with the Conveyance Requirements. If Seller is unable to convey the Property in conformance with the Conveyance Requirements: (i) such inability shall constitute a failure of said condition, but not a Seller default; and (ii) either party may terminate this Agreement prior to Closing by written notice to the other; provided, however, prior to any such termination by Buyer, Buyer must give Seller sufficient written notice of the non-conformity to enable Seller to cure such nonconformity and Seller shall have the right to extend the time for Closing, in order to cure such nonconformity, for a period of up to 60 days from the later of the effective date of such notice or the targeted closing date stated in Section 14 below. Any such non-conformity shall be deemed cured if the Closing Agent and/or Seller provides commercially reasonable evidence and/or assurance that such non-conformity has been or will be paid, satisfied, removed and/or released (as applicable) prior to or in connection with the Closing. In the event of termination by either party pursuant to this Section, Buyer shall be entitled to the return of the Earnest Money as Buyer's sole and exclusive remedy.

13. Conditions to Closing. Buyer's obligation to purchase and acquire the Property at Closing is not contingent upon any further inspection, investigation or evaluation of the Property or upon Buyer's ability to obtain any loan or permit. Buyer's obligation to purchase and acquire the Property at Closing is not contingent upon the satisfaction of any condition except: (a) the performance (or tender of performance) of all covenants and obligations which are to be performed by Seller at the time of or prior to Closing according to the express terms of this Agreement; and (b) any condition or requirement the satisfaction of which is made a condition precedent in favor of Buyer according to the express terms of this Agreement (including the condition that Seller is able to convey the Property in conformance with the Conveyance Requirements).

14. Closing. Subject to the terms and conditions of this Agreement, the final delivery and exchange of documents and funds in order to consummate the sale and purchase of the Property in accordance with this Agreement ("**Closing**") shall be scheduled and completed in accordance with this Section. It is anticipated that the Closing will be scheduled by mutual agreement and completed on or before July 7, 2025. In any event, Seller may arrange for the Closing to be held on a date specified in a notice from Seller or Seller's agent to Buyer or Buyer's agent and (subject to Section 13 above) Buyer shall be obligated to close on the date specified in such notice if such date is not earlier than July 7, 2025 and at least 7 days after: (a) such notice has been sent; (b) the Survey (if applicable) has been completed; and (c) the Final Title Commitment has been completed. The Closing shall be held at and/or administered by and through the office of the Escrow Agent. For purposes of documenting the Closing, the allocation of the Purchase Price between the Property and the Leasehold Estate shall be determined solely by the Seller and Assignor.

15. Seller's Expenses. The following items shall be charged to Seller and paid out of the sale proceeds that would otherwise be delivered to Seller at Closing: (a) the cost of releasing all Liens, if any, and recording the releases; (b) one-half of the fee charged by the Escrow Agent to administer a cash closing; (c) one-half of the cost of the Survey, if any; (d) the cost of furnishing the Final Title Commitment; (e) the cost of preparing Seller's transfer documents, including the deed; (f) the documentary stamp tax; (g) any sums due Auction Company in connection with this transaction; (h) any expense stipulated to be paid by Seller under any other provision of

this Agreement; and (i) any expense normally charged to a seller at closing and not specifically charged to Buyer in this Agreement.

16. **Buyer's Expenses.** The following items shall be charged to Buyer and paid out of Good Funds delivered by Buyer to the Escrow Agent prior to Closing: (a) any expense paid at Closing in connection with or related to any loan obtained by Buyer; (b) one-half of the fee charged by the Escrow Agent to administer a cash closing (and 100% of any additional closing fees due to any loan); (c) one-half of the cost of the Survey, if any; (d) the cost of issuing any title insurance policy, including title insurance premiums and the cost of any extended or special coverage, lender's coverage and/or title insurance endorsements; (e) any expense stipulated to be paid by Buyer under any other provision of this Agreement; (f) any closing expense that is customarily charged to a purchaser and is not specifically charged to Seller in this Agreement; and (g) any other expense that is not allocated to Seller according to the terms of this Agreement.

17. **Taxes and Assessments.** "Taxes" refers to ad valorem property taxes and any special assessments that are or may become a lien against the Property. "Seller's Taxes" refers to Taxes consisting of: (a) ad valorem taxes attributed to the period up to and including the day of Closing, prorated on a calendar year basis to the date of Closing; and (b) any special assessments that are or were last payable without a penalty on or before the day of Closing. Any unpaid Seller's Taxes shall be withheld from Seller's proceeds at Closing and paid directly to the appropriate tax collection official; provided, however, any portion of Seller's Taxes that is not ascertainable and payable at the time of Closing shall be estimated based on 100% of the amount last billed for a calendar year and the amount thus estimated (for the period up to and including the Closing date) shall be paid via credit against the sums due from Buyer at Closing, with no further settlement or adjustment after Closing. Buyer shall then pay all Taxes due after Closing to the extent attributed to the Property.

18. **Risk of Loss.** The Property shall be conveyed at Closing in substantially its present condition and Seller assumes the risk of loss and damage until Closing; provided, however, Buyer shall be obligated to acquire the Property notwithstanding the occurrence of any of the following prior to Closing: (a) normal use, wear and tear; (b) loss or damage that is repaired prior to Closing; and (c) loss covered by Seller's insurance if Seller agrees to assign to Buyer all insurance proceeds covering such loss.

19. **Remedies; Buyer Default.** As used herein, the term "**Buyer Default**" refers to nonperformance, breach and/or default with respect to an obligation of Buyer under this Agreement, including nonpayment (or ineffective or defective payment) of the Earnest Money in accordance with the provisions of this Agreement. In the event of a Buyer Default, the following provisions shall apply:

(a) Seller shall have the right to demand and recover liquidated damages in an amount equal to ten percent (10%) of the Bid Amount. Upon Seller's demand and receipt of such liquidated damages, this Agreement shall be completely terminated in all respects. Buyer acknowledges and agrees that, in the event of a Buyer Default, the amount of Seller's damages would be uncertain and difficult to ascertain and that 10% of the Bid Amount is fairly proportionate to the loss likely to occur due to a Buyer Default. If this liquidated damages provision is adjudicated as unenforceable, Seller may recover and Buyer agrees to pay actual damages (plus expenses and attorney fees).

(b) The Earnest Money shall be applied towards any sums that Seller is entitled to recover from Buyer and, upon Seller's demand, Buyer shall execute and deliver to the Escrow Agent an instrument authorizing the payment of such funds to Seller up to the amount due Seller. If Buyer fails to execute and deliver such authorization, the funds shall remain in escrow until properly adjudicated and Seller shall have the right to recover from Buyer, in addition to any other recovery, all expenses, including reasonable attorney fees, thereafter incurred by Seller in seeking to enforce any right or remedy.

(c) Without limiting the foregoing provisions, Seller's remedies in the event of a Buyer Default shall include the right to terminate Buyer's right to acquire the Property under this Agreement (without prejudice to Seller's right to recover damages, including liquidated damages as provided above) by giving notice of such termination to Buyer. Any such termination shall be effective as of a date specified in a notice of termination from Seller to Buyer (but not earlier than the effective date of the notice). At any time after the effective date of such termination, Seller shall have the absolute and unconditional right to sell the Property free and clear of any right or claim of Buyer whatsoever.

20. **Remedies; Seller Default.** The term “**Seller Default**” refers to the failure of this transaction to close due to nonperformance, breach and/or default with respect to the Seller’s obligation(s) under this Agreement; provided, however, if Seller is unable to convey the Property in accordance with the Conveyance Requirements, such inability shall constitute a failure of a condition under Section 12 above, and not a Seller Default. In the event of a Seller Default: (a) Buyer shall have the right to demand and receive a full refund of the Earnest Money; (b) upon such demand and Buyer’s receipt of the Earnest Money, this Agreement shall be completely terminated in all respects at such time; and (c) at Buyer’s option, at any time prior to such termination, Buyer may elect instead to seek specific performance of Seller’s obligations.

21. **Remedies; General.** Notwithstanding any other provision, if this transaction fails to close, the Escrow Agent is authorized to hold the Earnest Money until it receives either: (a) written disbursement instructions signed by Buyer and Seller; (b) a written release signed by one party authorizing disbursement to the other party; or (c) a final court order specifying the manner in which the Earnest Money is to be disbursed. In the event of a lawsuit between the parties seeking any remedy or relief in connection with this Agreement and/or the Property, the prevailing party in such lawsuit shall be entitled to recover its reasonable attorneys’ fees and expenses. **TO THE FULL EXTENT PERMITTED BY LAW, BUYER AND SELLER HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY (TO THE EXTENT THAT SUCH RIGHT NOW OR HEREAFTER EXISTS) WITH REGARD TO THIS AGREEMENT AND/OR THE PROPERTY AND/OR ANY CLAIM, COUNTERCLAIM, THIRD PARTY CLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH.**

22. **Notices.** Any notice given under this Agreement shall be in writing and in a form which clearly shows an intention to give notice under this Agreement. A notice given to a party under this Agreement shall be sent via email to the email address(es) provided with that party’s notification address (as provided below); provided, however, if an email address is not provided with the party’s notification address in this Agreement, such notice shall be sent via any commonly-used overnight delivery service (such as overnight delivery via USPS, FedEx or UPS) that includes proof of delivery. A copy of a notice sent by any party (other than a notice sent by the Auction Manager as the agent of Seller) shall be sent to the Auction Manager via email to **Brent@schraderauction.com**. A notice shall be effective immediately as of the first day on which the notice has been sent in accordance with the requirements of this Section (regardless of the date of receipt). A party who fails to provide a proper email address with the party’s notification address in this Agreement assumes the risk of receiving a notice after it has become effective. Subject to each party’s right to change its notification address (by giving notice of such change to all other parties), the parties’ notification addresses are as follows:

If to Seller: C/o Laurie Elzo, via email to: **LElzo@bankfnbt.com**

If to Buyer: The Buyer’s email address(es) (if any) or regular mail address provided on the Signature Page.

23. **Agency; Sales Fee.** Auction Company and its affiliated agents are acting solely on behalf of, and exclusively as the agents for, the Seller. Buyer acknowledges receipt of the Oklahoma Real Estate Commission form of “Disclosure to Buyer of Brokerage Duties, Responsibilities and Services”, which is hereby incorporated as part of the terms of this Agreement and shall be signed by the Buyer and attached to this Agreement pursuant to 59 Okl. St. § 858-356. The commission due Auction Company shall be paid by Seller pursuant to a separate agreement. Buyer shall indemnify and hold harmless Seller and Auction Company from and against any claim of any broker or other person who is or claims to be entitled to any commission, fee or other compensation relating to the sale of the Property as a result of Buyer’s dealings with such other broker or person.

24. **Buyer’s Acknowledgment of Certain Disclosures and Disclaimers.** Buyer acknowledges and agrees that:

(a) Prior to submitting this Offer, Buyer received the entire Sealed Bid Packet (as defined above).

(b) Buyer’s obligations under this Agreement are not contingent upon the results of any further inspection, investigation or evaluation of the character or condition of the Property, the Leasehold Estate and/or the Ground Lease Premises or the suitability thereof for any particular use or purpose. Buyer is responsible for having completed all such inspections, investigations and evaluations prior to submitting this Offer. Buyer acknowledges (and represents to Seller) that Buyer has either completed all such inspections, investigations and evaluations or has chosen to purchase the Property and the Leasehold Estate without having done so. In either case, Buyer assumes all risks and agrees to purchase and acquire the Property and the Leasehold Estate “**AS IS**” and **WITHOUT ANY WARRANTY OF ANY KIND AS TO THE CHARACTER OR CONDITION OF THE PROPERTY, THE LEASEHOLD ESTATE AND/OR THE GROUND LEASE PREMISES OR THE SUITABILITY THEREOF FOR ANY PARTICULAR USE OR PURPOSE.**

(c) Without limiting the foregoing provisions, Seller and Auction Company and their respective agents and representatives disclaim any promise, representation or warranty as to: (i) acreages; (ii) zoning matters; (iii) environmental matters; (iv) the availability or location of any utilities; (v) the availability of any permit (such as, but not limited to, any building permit, zoning permit or highway/driveway permit); (vi) whether or not the Property is qualified or suitable for any particular use or purpose; and/or (vii) the accuracy of any third party reports or materials provided in connection with this Agreement and/or the marketing of the Property and/or the Auction.

(d) Except as otherwise provided with respect to obtaining the CLO's prior written consent to the assignment of the CLO Ground Lease, Seller shall have no obligation before or after Closing with respect to (and Buyer's obligations under this Agreement are not contingent upon obtaining) any permit or approval that Buyer may need in connection with any prospective use, improvement or development of the Property and/or the Leasehold Estate. Buyer acknowledges that Seller has not agreed to perform any work on or about the Property or the Ground Lease Premises before or after Closing.

(e) Buyer acknowledges and agrees that all marketing materials prepared or provided in connection with the Auction and/or the marketing of the Property, including but not limited to the auction brochure, Information Booklet, and any other information posted to the auction website (collectively, "**Marketing Materials**"), have been provided subject to (and not as a substitute for) a prospective buyer's independent investigation and verification. Although believed to be from reliable sources, the Seller and Auction Company disclaim any warranty or liability for the information provided.

(f) Buyer acknowledges that Buyer has received the "Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards" and the "Residential Property Condition Disclosure Exemption Form", both of which shall be signed and dated by Buyer and delivered with the submission of this offer. Buyer also acknowledges receipt of the EPA pamphlet entitled "Protect Your Family from Lead in Your Home". Buyer agrees to acquire the Property AS IS, regardless of the results of any risk assessment, inspection or evaluation regarding the presence of lead-based paint and/or lead-based paint hazards.

(g) The advertised acres are approximations based on information in the property tax records and/or existing legal descriptions. No warranty or authoritative representation is made as to the number of acres included with the Property or the Ground Lease Premises. The Purchase Price shall not be subject to adjustment regardless of the number of acres shown in any record prepared before or after this Agreement.

(h) Boundary lines depicted in the Marketing Materials are approximations provided for identification and illustration purposes only. They are not provided as survey products and are not intended to depict or establish authoritative boundaries or locations.

(i) This purchase does not include (and the meaning of the term "Property" as used throughout this Agreement shall be interpreted to exclude) any tangible personal property. However, if any item(s) of tangible personal property remain(s) at the Property and/or Ground Lease Premises at the time of Closing, Buyer agrees to acquire the Property and Leasehold Estate at Closing notwithstanding the presence of (and Seller shall have no obligation before or after Closing with respect to) any such item(s) of tangible personal property at the Property and/or Ground Lease Premises at the time of Closing.

25. **1031 Exchange.** Each party shall reasonably cooperate if another party intends to structure the transfer or acquisition of all or any part of the Property and/or Leasehold Estate as part of an exchange under §1031 of the Internal Revenue Code ("**Exchange**"). The rights of a party may be assigned to a qualified intermediary or exchange accommodation titleholder for purposes of an Exchange, but the assignor shall not be released from any obligation under this Agreement. No party shall be required to acquire title to any other property, assume any additional liabilities or obligations or incur any additional expense as a result of another party's Exchange.

26. **Successors and Assigns.** The terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns; provided, however, that no assignment by Buyer (other than an assignment to a qualified intermediary or accommodation titleholder in connection with an Exchange) shall be valid unless approved in writing by Seller and, in any case, Buyer shall not be released from Buyer's obligations by reason of any assignment but shall absolutely and unconditionally guaranty payment and performance by the assignee.

27. **Execution Authority.** With respect to any limited liability company, corporation, partnership, trust, estate or any other entity other than an individual or group of individuals ("**Entity**") identified on the Signature Page as a party to this Agreement (or as a partner, member, manager or fiduciary signing on behalf of a party to this Agreement), such Entity and each individual and/or Entity purporting to sign this Agreement on behalf of such Entity jointly and severally promise, represent and warrant that: (a) such Entity has full power and authority to execute this Agreement; (b) all action has been taken and all approvals and consents have been obtained which may be required to properly authorize the execution of this Agreement on behalf of such Entity; (c) the individual(s) purporting to sign this Agreement on behalf of such Entity has/have full power and authority to execute this Agreement on behalf of (and as the binding act of) such Entity; and (d) this Agreement has been properly executed on behalf of (and as the binding act of) such Entity.

28. **60 Okl. St. §121, et seq. (as amended eff. November 1, 2023).** Buyer covenants and warrants: (a) that Buyer is qualified to acquire title to land in the State of Oklahoma in accordance with state and federal law, including 60 Okl. St. §121, et seq., as amended effective November 1, 2023, prohibiting certain land acquisitions by aliens either directly or indirectly through a business entity or trust; (b) that Buyer is able to (and will at Closing) properly execute an affidavit, to be included as an exhibit to the deed, attesting that Buyer is obtaining the Property in compliance with the requirements of 60 Okl. St. §121 and that no funding source is being used in the sale or transfer in violation of 60 Okl. St. §121 or any other state or federal law; and (c) that Buyer is able to (and, subject to the conditions of Section 13 above, that Buyer will at Closing) properly acquire the Property in accordance with the requirements of 60 Okl. St. §121, et seq. Any nonperformance or breach of (and/or Buyer's inability to perform or comply with) a covenant or warranty under this Section shall constitute a "Buyer Default" for purposes of Section 19 above.

29. **Miscellaneous Provisions.** The meaning ascribed to a particular capitalized term where it appears in this Agreement with quotation marks shall apply to such capitalized term as it is used throughout this Agreement. As used throughout this Agreement, the word "including" shall be construed as "including but not limited to". Time is of the essence of this Agreement. All provisions of this Agreement shall survive the Closing unless and except as otherwise provided or required by the express terms of this Agreement. This Agreement contains the entire agreement of the parties and supersedes any statement, promise or representation made or purportedly made prior to this Agreement by either party and/or their respective agents. Neither party is relying upon any statement or promise that is not set forth in this Agreement. Neither party shall be bound by any purported oral modification or waiver. If any provision of this Agreement is inconsistent with any other statement in the Sealed Bid Packet or any statement in the auction brochure or other marketing materials, the provision of this Agreement shall control. This Agreement may be executed in multiple counterparts, all of which together shall constitute one and the same instrument. For purposes of the execution of this Agreement, the electronic transmission of a signed counterpart via email, fax or a commonly-used electronic signature service such as DocuSign® or dotloop® shall have the same effect as the delivery of an original signature.

30. **Offer and Acceptance.** Buyer's execution and delivery of this Offer constitutes an offer to purchase the Property which may be accepted or rejected by Seller for any reason in the Seller's sole discretion and, if accepted by Seller, shall constitute a binding purchase contract between Seller and Buyer for the sale and purchase of the Property and Leasehold Estate in accordance with the terms and conditions set forth herein. This Offer is irrevocable and shall remain open for acceptance by Seller at any time prior to the rejection or expiration of this Offer. This Offer shall be treated as having been accepted by Seller only if Seller's acceptance is signed by Seller on the Signature Page. This Offer shall be treated as having been rejected by the Seller only if: (a) Seller has given written notice of rejection to the Buyer; (b) the Earnest Money has been returned to Buyer prior to Seller's acceptance; (c) Seller has accepted another offer for the Property; or (d) Seller has failed to accept this Offer within the time specified in Section 31 below.

31. **Expiration of Offer; Acceptance Deadline.** This Offer expires unless it is accepted by Seller on or before 11:59 o'clock p.m. (CDT) on **Wednesday, May 28, 2025**.

RESPONSIBILITIES AND SERVICES**

This notice may be part of or attached to any of the following:

☐ Buyer Brokerage Agreement☒ Contract of Sale of Real Estate☐ Other _____

1. DUTIES AND RESPONSIBILITIES. A Broker who provides Brokerage Services to one or both parties shall describe and disclose in writing the Broker's duties and responsibilities prior to the party or parties signing a contract to sell, purchase, option, or exchange real estate.

A Broker shall have the following duties and responsibilities which are mandatory and may not be abrogated or waived by a Broker, whether working with one party, or working with both parties:

- a. treat all parties to the transaction with honesty and exercise reasonable skill and care;
- b. unless specifically waived in writing by a party to the transaction:
 - 1. receive all written offer and counteroffers;
 - 2. reduce offers or counteroffers to a written form upon request of any party to a transaction; and
 - 3. present timely all written offers and counteroffers.
- c. inform, in writing, the party for whom the Broker is providing Brokerage Services when an offer is made that the party will be expected to pay certain closing costs, Brokerage Service costs and the approximate amount of the costs;
- d. keep the party for whom the Broker is providing Brokerage Services informed regarding the transaction;
- e. timely account for all money and property received by the Broker;
- f. keep confidential information received from a party or prospective party confidential. The confidential information shall not be disclosed by a Broker without the consent of the party disclosing the information unless consent to the disclosure is granted in writing by the party or prospective party disclosing the information, the disclosure is required by law, or the information is made public or becomes public as the result of actions from a source other than the Broker. The following information shall be considered confidential and shall be the only information considered confidential in a transaction:
 - 1. that a party or prospective party is willing to pay more or accept less than what is being offered,
 - 2. that a party or prospective party is willing to agree to financing terms that are different from those offered,
 - 3. the motivating factors of the party or prospective party purchasing, selling, optioning or exchanging the property, and

- k. disclose the time frame for which the compensation agreement is valid, not to exceed one (1) year. If no time frame is specified, the compensation agreement shall default to sixty (60) days.

2. BROKERAGE SERVICES PROVIDED TO BOTH PARTIES TO THE TRANSACTION. The Oklahoma broker relationships law (Title 59, Oklahoma Statutes, Section 858-351 – 858-363) allows a real estate Firm to provide Brokerage Services to both parties to the transaction. This could occur when a Firm has contracted with a Seller to sell their property and a prospective Buyer contacts that same Firm to see the property. If the prospective Buyer wants to make an offer on the property, the Firm must now provide a written notice to both the Buyer and Seller that the Firm is now providing Brokerage Services to both parties to the transaction. The law states that there are mandatory duties and responsibilities that must be performed by the broker for each party.

3. BROKER PROVIDING FEWER SERVICES. If a Broker intends to provide fewer Brokerage Services than those required to complete a transaction, the Broker shall provide written disclosure to the party for whom the Broker is providing services. The disclosure shall include a description of those steps in the transaction that the Broker will not provide and state that the Broker assisting the other party in the transaction is not required to provide assistance with these steps in any manner.

4. CONFIRMATION OF DISCLOSURE OF DUTIES AND RESPONSIBILITIES. The duties and responsibilities disclosed by the Broker shall be confirmed in writing by each party in a separate provision, incorporated in or attached to the contract to purchase, option or exchange real estate.

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

Read this entire brochure to learn:

- How lead gets into the body
- How lead affects health
- What you can do to protect your family
- Where to go for more information

Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint or lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

- Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

Simple Steps to Protect Your Family from Lead Hazards

If you think your home has lead-based paint:

- Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at epa.gov/lead.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods high in iron, calcium, and vitamin C.
- Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Women of childbearing age should know that lead is dangerous to a developing fetus.

- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention-deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.¹

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.²

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at [epa.gov/lead](https://www.epa.gov/lead).

¹ “Lead-based paint” is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm²), or more than 0.5% by weight.

² “Lead-containing paint” is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorated lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
 - Portable x-ray fluorescence (XRF) machine
 - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
 - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
 - Sample dust near painted surfaces and sample bare soil in the yard
 - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.³

³ Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron, and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement contractor. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ for interior windows sills
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs

Abatements are designed to permanently eliminate lead-based paint hazards. However, lead dust can be reintroduced into an abated area.

- Use a HEPA vacuum on all furniture and other items returned to the area, to reduce the potential for reintroducing lead dust.
- Regularly clean floors, window sills, troughs, and other hard surfaces with a damp cloth or sponge and a general all-purpose cleaner.

Please see page 9 for more information on steps you can take to protect your home after the abatement. For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 15 and 16), [epa.gov/lead](https://www.epa.gov/lead), or call 1-800-424-LEAD.

Renovating, Repairing or Painting a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
 - Open-flame burning or torching
 - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment
 - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects, visit epa.gov/getleadsafe, or read *The Lead-Safe Certified Guide to Renovate Right*.

Other Sources of Lead

Lead in Drinking Water

The most common sources of lead in drinking water are lead pipes, faucets, and fixtures.

Lead pipes are more likely to be found in older cities and homes built before 1986.

You can't smell or taste lead in drinking water.

To find out for certain if you have lead in drinking water, have your water tested.

Remember older homes with a private well can also have plumbing materials that contain lead.

Important Steps You Can Take to Reduce Lead in Drinking Water

- Use only cold water for drinking, cooking and making baby formula. Remember, boiling water does not remove lead from water.
- Before drinking, flush your home's pipes by running the tap, taking a shower, doing laundry, or doing a load of dishes.
- Regularly clean your faucet's screen (also known as an aerator).
- If you use a filter certified to remove lead, don't forget to read the directions to learn when to change the cartridge. Using a filter after it has expired can make it less effective at removing lead.

Contact your water company to determine if the pipe that connects your home to the water main (called a service line) is made from lead. Your area's water company can also provide information about the lead levels in your system's drinking water.

For more information about lead in drinking water, please contact EPA's Safe Drinking Water Hotline at 1-800-426-4791. If you have other questions about lead poisoning prevention, call 1-800 424-LEAD.*

Call your local health department or water company to find out about testing your water, or visit [epa.gov/safewater](https://www.epa.gov/safewater) for EPA's lead in drinking water information. Some states or utilities offer programs to pay for water testing for residents. Contact your state or local water company to learn more.

* Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

Other Sources of Lead, continued

- **Lead smelters** or other industries that release lead into the air.
- **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.⁴
- Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.
- Folk remedies, such as "**greta**" and "**azarcon**," used to treat an upset stomach.

⁴ In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint. In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products.

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

Lessee will have the right to obtain permits, licenses and other administrative certificates from Governmental Authority required to facilitate Lessee's use of the Land. 4.5 NO WASTE OR NUISANCE.

Lessee will not permit waste, trespass or pollution to occur to Lessor, or allow a nuisance on the Land; and Lessee will promptly report any waste, trespass, pollution, nuisance or damage to the Land or minerals.

5.1 CONSTRUCTION.

Lessee is specifically authorized to construct Improvements on all or any part of the Land and to modify contour and grade of the Land; provided however, Lessee shall not take any action which would injure, damage or impair the value of any adjacent property or which would subject Lessee or Lessor to any liability to an adjacent property owner. 5.2 OWNERSHIP.

Lessee and/or its successors and assigns, exclusively, will hold legal title to and all incidents of ownership associated with the Improvements during the Term. Legal title to, and all incidents of ownership associated with, the Improvements including, without limitation, all rights to the proceeds of any insurance policies maintained by Lessee with respect to the Improvements will, without compensation to the Lessee, absolutely vest in Lessor on the Expiration Date, or any earlier date on which this Lease is terminated, free from all claims by Lessee and/or its successors and assigns and any Persons claiming through or against them.

5.3 MAINTENANCE; REPAIR.

Lessee or its sub-lessees will maintain the Property and Improvements in good condition, ordinary wear and tear excepted, and will promptly make all necessary and appropriate structural and cosmetic repairs. All such actions will be performed at the expense of Lessee. Lessor will not be required to maintain, alter, repair, rebuild or replace all or any part of the Property in any way.

5.4 ALTERATIONS; DEMOLITION.

During the Term Lessee may demolish, remove, replace, alter, relocate, reconstruct or add to all or any part of the Improvements, provided the value of the Improvements following completion of any such action by Lessee is comparable to the value of the Improvements prior to commencement of Lessee's work. Salvage of the Improvements resulting from such demolition, removal, replacement, alteration, relocation, reconstruction or addition during the Term will be property of Lessee. Rent shall not abate during the course of any such action by Lessee. This paragraph is not intended to prohibit Lessee from upscaling or downscaling its operations or reducing or increasing improvements in total value due to prevailing economic conditions subject to Lessor's approval, which will not be unreasonably withheld.

GROUND LEASE

BOOK 4625 PAGE 154

12.1 LESSEE'S MORTGAGES.

From time to time during the Term, Lessee will have the right to execute one or more Mortgages without Lessor's consent, provided all rights of each Mortgagee will be subject to the terms of this Agreement, and subordinate to the rights of Lessor. Lessee may not encumber the estate of Lessor and all liens, mortgages and other claims against Lessee and Lessee's estate in the land shall be subordinate to the rights of Lessor. Nothing contained in this **Section 12** shall be deemed to waive or impair any right or remedy Lessor may have upon default by Lessee under this Lease.

12.2 RIGHTS OF MORTGAGEE.

If within **thirty (30) days** after execution of a Mortgage, the Mortgagee notifies Lessor in writing of the name and address of Mortgagee and provides to Lessor a copy of the Mortgage, then so long as the Mortgage remains of record the following provisions will apply:

12.2.1 Cancellation, Default.

The Lessor and Lessee agree not to cancel, surrender or modify this Agreement or terminate this Lease, without prior written notice to each Mortgagee and in the event of default ensure adequate notice and opportunity to cure.

12.3 NO MERGER.

So long as any Mortgage is in existence the fee title to the Leased Premises and the leasehold estate shall not merge but shall remain separate and distinct.

- (c) Failure to comply with any other term of this Agreement.

13.2 NOTICE; OPPORTUNITY TO CURE.

13.3 REMEDIES.

On failure of Lessee to cure a Default within the time provided, Lessor will have the option to do any one or more of the following without further notice or demand, in addition to and not in limitation of any other remedy permitted by law or by this Agreement.

Lessor may terminate this Agreement, in which event Lessee will immediately surrender Land and Improvements to Lessor, but if Lessee fails to do so, Lessor may, to the maximum extent permitted by law, without notice and without prejudice to any other remedy Lessor might have, enter and take possession of Land and Improvements and remove Lessee's property.

13.3.2 Option to Perform.

Lessor may perform or cause to be performed the obligations of Lessee under this Agreement and may enter Land and Improvements to accomplish such purpose. Lessee agrees to reimburse Lessor on demand for any expense Lessor might incur in effecting compliance with the terms of this Agreement on behalf of Lessee, which expense will bear interest at 16% until payment to Lessor.

13.4 NO WAIVER.

No action by Lessor during the Term will be deemed an acceptance by Lessor of an attempted surrender of Land or Improvements. No re-entry or taking possession of the Land or Improvements by Lessor will be construed as an election by Lessor to terminate this Agreement, unless Lessor signs a written notice of termination. Notwithstanding any re-entry or taking possession, Lessor may later elect to terminate this Agreement for a previous Default. Acceptance by Lessor of any Payment following the occurrence of an Event of Default will not be construed as waiver of such Event of Default. No waiver of any Event of Default by Lessor will be deemed to constitute a waiver of any other or future Event of Default. Forbearance by Lessor to enforce one or more remedies will not be deemed to constitute a waiver of any Default. No provision of this Agreement will be deemed waived by Lessor unless waiver is in writing signed by Lessor. Rights and remedies granted to Lessor in this Agreement are cumulative and every other right or remedy Lessor has in law or equity and the exercise of one or more rights or remedies will not prejudice the concurrent or subsequent exercise of other rights or remedies.

13.5 INCORPORATION BY REFERENCE OF SUBLEASE TO PROVISIONS OF CONTRACT.

14.2 HOLDING OVER.

This Lease shall terminate without further notice at expiration of the term. Any holding over by Lessee after expiration or other termination shall not constitute a renewal or extension or give Lessee any rights in or to the premises except as expressly provided in this Lease.

SECTION 15 - MISCELLANEOUS PROVISIONS

15.1 FORCE MAJEURE.

If Lessee is delayed or prevented from performing any term of this Lease (other than payment of Rent) by reason of riots, war, natural disaster or other reason beyond Lessee's control, then performance will be excused for the period of delay and the time for performance will be extended for a period equal to the period of such delay.
