SCHEDULE B, PART I - REQUIREMENTS

All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Lien Affidavit and Indemnity executed by seller(s), mortgagor(s) and/or contractor (if any) stating that all bills are paid for labor and/or materials which might form the basis for a materialman's or mechanic's lien. Or in the case of a non-builder seller, obtain a Seller's affidavit stating that there does not exist any outstanding court judgments, contracts, or liens, which may affect subject property.
5. Satisfactory Affidavit of Possession executed by the seller(s) or mortgagor(s) as may be appropriate.
6. Satisfactory proof of identity must be furnished with regard to the parties executing all documents required hereunder. This may be in the form of an Affidavit of Identity executed by the Notary Public before whom the document is executed. Additionally, a copy of the document(s) (driver's license, passport, etc.) relied upon by the Notary Public for identification of such parties must be furnished.
7. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
 - a. Warranty Deed from Trustees of the Barbara R. Lasater Revocable Trust to To Be Determined.
 - b. Mortgage from To Be Determined to TO BE DETERMINED, securing the principal amount of \$0.00.
8. In the event the proposed insured requires deletion of the general survey exception set forth in Schedule B - Part II, we must be provided with a satisfactory survey of the subject premises.
9. NOTE: The State of Oklahoma requires the payment of a documentary stamp tax as a condition precedent to the recordation of any deed as provided by 68 Okla. Stat. 3201, subject to the exemptions provided for by 68 Okla. Stat. 3202.
10. NOTE: The State of Oklahoma requires the payment of a mortgage tax as a condition precedent to the recordation of any mortgage as provided by 68 O.S. Stat. 1901
11. Furnish an accurate Survey of the premises which would disclose any encroachments, overlaps, boundary line disputes, or other matters, or exceptions will remain on policy.

SCHEDULE B, PART II - EXCEPTIONS

Some historical land records contain Discriminatory Covenants that are illegal and unenforceable by law. This Commitment and the Policy treat any Discriminatory Covenant in a document referenced in Schedule B as if each Discriminatory Covenant is redacted, repudiated, removed, and not republished or recirculated. Only the remaining provisions of the document will be excepted from coverage.

The Policy will not insure against loss or damage resulting from the terms and conditions of any lease or easement identified in Schedule A, and will include the following Exceptions unless cleared to the satisfaction of the Company:

1. Any defect, lien, encumbrance, adverse claim, or other matter that appears for the first time in the Public Records or is created, attaches, or is disclosed between the Commitment Date and the date on which all of the Schedule B, Part I - Requirements are met.
2. Fees, taxes and assessments made by any taxing authority for the year 2025, which are not yet ascertainable, due or payable, and all subsequent years.
3. Any claim to (a) ownership of or rights to minerals and similar substances, including, but not limited to, ores, metals, coal, lignite, oil, gas, uranium, clay, rock, limestone, sand and gravel located in, on or under the Land or produced from the Land, whether such ownership or rights arise by lease, grant, exception, conveyance, reservation or otherwise; and (b) any rights, privileges, immunities, rights of way and easements associated therewith or appurtenant thereto, whether or not the interests or rights excepted in (a) or (b) appear in the public records.
4. Water rights, claims or title to water, whether or not shown by the public records.
5. Any adverse matters which would be disclosed by a judgment search on the within named insured.
6. Any lien, or right to a lien, for services, labor or material imposed by law and not shown by the public record.
7. Rights or claims of parties in possession or entitled to possession of the Land, or portions thereof, whose rights are not evidenced by documents recorded in the Public Records.
8. Any encroachment, encumbrance, violation, variation, or adverse circumstance affecting the Title that would be disclosed by an accurate and complete land survey of the Land. The term "encroachment" includes encroachments of existing improvements located on the Land onto adjoining land, and encroachments onto the Land of existing improvements located on adjoining land.
9. Easements or claims of easements not recorded in the Public Record.
10. Any encroachment, encumbrance, violation, variation or adverse circumstance affecting Title that would be disclosed by an accurate and complete land survey or that could be ascertained by an inspection of the Land.

THAT for and in consideration of One Dollar (\$1.00) to us in hand paid, receipt of which is hereby acknowledged, and other valuable consideration, to be paid when such grant shall be used and occupied, the undersigned as Grantor (whether one or more), do hereby grant, bargain and convey unto Sterling Hydrocarbon, Inc., as Grantee, its successors and assigns, the right, privilege and easement to construct, reconstruct, install, replace, protect, renew, operate, maintain, inspect, alter, repair, remove, change the size of, relay, and abandon in place a pipeline along a route or routes selected by Grantee for the transportation of oil, gas, petroleum or any of its products, together with such valves, fittings, meters, traps and other equipment and appurtenances as may be necessary or

convenient for such purposes on, over and through the following described lands situated in Logan

County, State of Oklahoma to-wit: "See EXHIBIT A" attached hereto and made a part hereof;

together with the right of ingress and egress to and from the same over and across the adjoining lands of Grantor for any and all purposes reasonably necessary and incident to the exercise by Grantee of the rights granted hereunder.

TO HAVE AND TO HOLD said rights, privileges and easements unto said Grantee, its successors and assigns, until this easement or any one or more of said rights or privileges granted herein are used or exercised, and for so long thereafter as any one or more of said rights or privileges are exercised, or any structure or facility installed hereunder is used or remains thereon.

The terms and conditions of this Easement are as follows:

1. The width of this Easement shall be 50 feet.
2. Upon completion of construction Grantee shall fully restore the surface of said land so that there shall not be any permanent mounds, ridges, sinks, or trenches along said easement, to the extent that it may reasonably be done.
3. Grantee shall fully restore all private roads, drainage and irrigation ditches and canals disturbed by Grantee's exercise of its rights hereunder to their condition immediately prior to Grantee's exercise of said rights.
4. Grantee shall fully repair any and all damage done to any fences of Grantor cut or otherwise damaged in exercising any of the rights granted hereby.
5. Grantee shall bury the pipeline to a minimum depth of 36 inches between the top of the pipe and the present ground level.
6. It is hereby reserved unto the Grantor the right to use said land in any manner that will not prevent or interfere with the exercise by Grantee of its rights hereunder, provided, however, that Grantor shall not construct nor permit to be constructed, any house, building, or other improvements or obstructions within the easement area, without the express prior written consent of the Grantee.
7. Grantee shall have the right from time to time to cut all trees, undergrowth and other obstructions that, in its judgment, may injure, endanger or interfere with the exercise by Grantee of the rights, privileges and easement herein granted.

8. The rights herein granted may be assigned in whole or in part and the terms, conditions, and provisions hereof shall extend to and be binding upon the heirs, executors, administrators, personal representatives, successors and assigns, of the parties hereto.

RIGHT-OF-WAY EASEMENT

KNOW ALL MEN BY THESE PRESENTS, THAT

we, the undersigned, (whether one or more) ... C.B. Kissner and Elizabeth H. Kissner

(husband and wife)

(unmarried) (husband or wife) for a consideration of \$1.00 and other good and valuable consideration, the receipt whereof is hereby acknowledged, do hereby grant, bargain, sell, transfer and convey unto the Central Rural Electric Cooperative, a cooperative corporation, whose post office address is Stillwater, Oklahoma, and to its successors or assigns a perpetual easement over, across, under and through the land of the undersigned grantor(s) above situated in the county of *Adair*, State of Oklahoma, being described as follows:

1/4, less and except seven acres in the NW/4 of the NE/4

in Sec. *14*, Twp. *34*, Range *44-2*, together with the right of ingress and egress over the adjacent lands of the above grantor(s) successors and assigns for the purpose of this easement, and grant by said easement to the Central Rural Electric Cooperative, cooperative corporation, its successors or assigns, the perpetual right, privilege and authority to construct, place, operate, repair, maintain, convert to higher or lower voltage, and replace on the above described land and/or under or upon any street, road, alley, highway, railroad or other right-of-way now or hereafter established and existing on or across said premises or adjoining the same or adjacent thereto, an overhead or underground electric transmission or distribution line or system, to set anchors at points to be determined by the Cooperative at any future date extending outside this easement a distance of 25 feet, to excavate for such purposes, to prevent the placement of any structure that may, in the judgment of the cooperative, interfere with or endanger said electrical system or its maintenance or operation, and to cut, trim and control by chemical means, machinery or otherwise, trees, shrubbery and timber including nut trees, that may interfere with or threaten to endanger the operation of said line or system, including all trees and shrubs which may be damaged incidentally and necessarily result from the means of control employed to a distance of 15 feet in each direction from said line or system, or to such further distance as the Cooperative may find necessary to cut down from time to time all dead, weak, leaning or dangerous trees as determined by the Cooperative that are tall enough to strike the wire in falling.

This easement shall be *10* feet in width, which is described as follows: Parallel to, adjacent to, and adjoining the section line right-of-way lines, property boundaries and *10* feet either side of the electric facilities as built or existing and the necessary easement to serve the premises and to extend the line to serve adjacent property.

The undersigned agrees that all poles, wires and other facilities, including any main service entrance equipment, installed on the above-described lands at the Cooperative's expense shall remain the property of the Cooperative, removable at the option of the Cooperative at any time and warrant that the surface of the earth upon said easement will not be lowered without prior consent of Grantor. This covenant is recognized as being necessary for the protection of the facilities and the public. The undersigned also agrees that this easement permits the future addition or respacing of poles or underground systems in the initial line as may be required to provide electric service to the area or to meet standards of current electrical codes.

The undersigned covenant that they are the owners of the above-described lands, and said lands are free of any easements of whatsoever character except those held by the following persons:

Southwestern Bell—EASEMENT FOR UNDERGROUND FACILITIES

THIS EASEMENT, entered into by the undersigned, herein referred to as GRANTORS, and SOUTHWESTERN BELL TELEPHONE COMPANY, GRANTEE, wherein GRANTORS, in consideration of the sum of Ten and no/100-----Dollars, (\$ 10.00) and other valuable consideration, receipt of which is hereby acknowledged, do by these presents GRANT, BARGAIN AND SELL, CONVEY AND CONFIRM unto GRANTEE, its associated and allied companies, its and their respective successors, assigns and licensees, a permanent easement to construct, operate, maintain, inspect, replace and remove such underground telecommunication systems and lines, and all appurtenances thereto, as may be required by GRANTEE from time to time, upon, over and under a strip of land 16.6 feet in width, across Grantors' land situated in Logan County, State of Oklahoma, and described as follows:

The Southeast one-quarter (SE/4) of Section Twenty-Seven (S27), Township Nineteen North (T19N), Range Two West (R2W) of the Indian Meridian Less and except 6.52 acres, more or less Logan County, Oklahoma. (SE/4, S27, T19N, R2W)

And the North one-half (N/2) of Section Thirty-four (S34), Township Nineteen North (T19N), Range Two West (R2W) of the Indian Meridian, Logan County, Oklahoma, excepting approximately one (1) acre in the Northwest Corner of the Northeast Quarter of said Section 34, North and West of the center of the railroad right-of-way. (N/2, S34, T19N, R2W)

Said 16.6 foot strip of land shall be adjacent to and parallel with the East boundary of State Highway 77 across the above described property.

TO HAVE AND TO HOLD same, with all rights and appurtenances to the same belonging, unto Grantee, its successors, assigns and licensees, until the use of the easement is relinquished or abandoned, including (1) the right of ingress and egress to and from the easement by reasonable routes across Grantors' property, (2) the right to clear and trim trees, overhanging branches, roots, brush and other obstructions in the easement, (3) the right to place on the surface of the easement manholes, cable risers, connector terminals, repeaters, testing terminals and route markers, and (4) the right to install temporary or permanent gates in fences crossing the easement.

Grantee, its successors, assigns and licensees, shall repair and restore the property and pay for damage to crops and other property following construction and maintenance work. Further, Grantors reserve the right to use and enjoy their interests in the easement area insofar as the exercise thereof does not endanger or interfere with the construction, operation and maintenance of said systems and lines; and included in this reservation is the right of ordinary cultivation of crops.

Grantors warrant that they are the owners of the land here conveyed and have the right to make this conveyance and receive the payment therefor, and Grantors covenant that Grantee, its successors, assigns and licensees, may quietly enjoy the premises for the uses herein stated.

KOCH PIPELINES INC.
A.D. Sec 2216 (Amended, January 1991)

STATE OF OK
COUNTY OF LOGAN

NOT. NO.

KNOW ALL MEN BY THESE PRESENTS:

THAT for and in consideration of One Dollar (\$1.00) to us in hand paid, receipt of which is hereby acknowledged, and the further consideration of O. G. & V. C. per rod line, to be paid when such grant shall be used and occupied, the undersigned as Grantor (whether one or more), do hereby grant and convey unto Koch Pipelines, Inc., as Grantee, its successors and assigns, a right of way for the purpose of constructing, reconstructing, renewing, operating, maintaining, inspecting, repairing, changing the size of and relaying a pipeline and additional pipelines along a route or routes selected by Grantee for the transportation of oil, gas, petroleum or any of its products, together with such valves, fittings, meters and other equipment and appurtenances as may be necessary or convenient for such operations, with the right of ingress and egress to and from the same on, over and through certain land situated in Logan County, State of OK, to wit:

A 75' wide strip of land, during construction, reverting to
a 50' wide permanent easement after initial construction
across the SE $\frac{1}{4}$ of Section 27 & the NE $\frac{1}{4}$ of Section 34, both
in Township 19 North and Range 2 West.

TO HAVE AND TO HOLD unto the said Grantee, its successors and assigns, with ingress and egress to and from the same, for the purpose of constructing, operating, inspecting, repairing and maintaining the same, and the relocating, changing the size of, or removing of such at will, in whole or in part. It is further provided that whenever this right of way shall cease to be used for said purposes, the same shall revert to Grantor, its heirs, successors or assigns, upon notice to that effect being given to said Grantee. It is further agreed that said Grantee, its successors or assigns, may at any time lay an additional line or lines of pipe on lands described above upon the payment of a like consideration per rod line and subject to the same benefits and conditions as herein provided. The said grantor to fully use and enjoy the said premises, except for the purpose hereinabove granted to the said Grantee which hereby agrees to bury all pipe to a sufficient depth so as to not interfere with ordinary cultivation of soil and to pay any damages which may arise to crops or fences from the construction, maintenance and operation of said pipelines.

Grantor represents and warrants that he is the owner in fee simple of the land above described subject only to outstanding mortgages, if any now of record in said County and specifically covenants to indemnify Grantee against claims of tenants in possession of the above described lands for damages thereto previously paid to Grantor by Grantee.

Grantor agrees to not build, create or construct nor permit to be built, created or constructed, any obstruction, building, improvement or other structure over or under said pipeline or lines after such pipeline or lines have been constructed by grantee.

All covenants and agreements herein contained shall be deemed to be covenant running with the land and shall extend to and be binding on the respective heirs, legal representatives, successors and assigns of the parties hereto.

It is hereby understood that party securing this grant in behalf of Grantee is without authority to make any covenant or agreement not herein expressed.

RIGHT-OF-WAY EASEMENT

KNOW ALL MEN BY THESE PRESENTS, THAT Clifford Byrd Kissner and
Barbara Jean Kissner French
 (unmarried) (husband or wife) for good and valuable consideration, the receipt whereof is hereby acknowledged, do hereby grant,
 unto the Central Rural Electric Cooperative, a cooperative corporation, and to its successors or assigns an easement over, across,
 under and through the land of the undersigned grantor(s) above situated in the county of Logan State of Oklahoma,
 being described as follows:

SW/4 SE/4 of Section 27-19N-2W
 and
 NW/4 NE/4 of Section 34-19N-2W

In Sec. 27 & 34, Twp. 19N, Range 2W, together with the right of ingress and egress over the adjacent lands of the above
 grantor(s) successors and assigns for the purpose of this easement, and grant by said easement to the Central Rural Electric
 Cooperative, a cooperative corporation, its successors or assigns, the right, privilege and authority to construct, place, operate,
 repair, maintain, convert to higher or lower voltage, and replace on the above described land and/or under or upon any street, road,
 alley, highway, railroad or other right-of-way now or hereafter established and existing on or across said premises or adjoining the
 same or adjacent thereto, an overhead or underground electric transmission or distribution line or system. To prevent the placement
 of any structure that may, in the judgment of the cooperative, interfere with or endanger said electrical system or its maintenance or
 operation, and to clear and control by chemical or mechanical means all trees, shrubbery, and other vegetation that may interfere or
 threaten or endanger the operation of said line or system.

This easement shall be 20 feet in width, which is described as follows:

A Strip of Land extending from an existing source of Electrical Power on the
 NW/4 NE/4 of Section 34-19N-2W, west to a point between Highway 77 Right-Of-Way
 and THE BURLINGTON NORTHERN AND SANTA FE RAILWAY COMPANY Right-Of-Way, thence
 North onto Section 27-19N-2W, the point of delivery of Electrical Power.

and 10 feet either side of the electric facilities as built or existing and the necessary easement to serve the premises.

The undersigned also agrees that this easement permits the future addition or respacing of poles or underground systems in the
 initial line as may be required to provide electric service to the area or to meet standards of current electrical codes.

The undersigned covenant that they are the owners of the above described lands.

IN WITNESS WHEREOF, the undersigned have set their hands and seal(s) this 20th day of May 1999.
